Subject: Water data upload

James,

I have uploaded the Emery Deep first quarter samples from the pipeline as requested. A report is attached.

You skipped the last two steps that you should do before sending Pam the e-mail. You should fix all errors in each sample, then check the ok box for each as well. I did it for you this time, but will not in the future. However, if you need help, I would be glad to answer questions over the phone or in person at your convenience.

Thanks,

Dana Dean, P.E. Senior Reclamation Hydrologist (801) 538-5320 danadean@utah.gov
